MESSAGE FROM PRESIDENT

MR. PRAKASH P KHANDARE
PRESIDENT
AKURDI CHINCHWAD EDUCATION SOCIETY

It is my pleasure and honour to write to you in my capacity as a president have been involved with Dr. D. Y. Patil English Medium School & Jr. College (Maharashtra State Board) over 12 years and 7years with New Pune Public School (CBSE curriculum). It is my immense pleasure to announce that 50 glorious years have been successfully completed by this society rendering service in the field of education. Hence my core concern is to endeavor to work towards the promotion of attaining high ethical standards in education with the emphasis on values of life. My work will be towards the harmony with the student's aspiration. I believe in freedom of expression independent thinking and positive personal values & qualities for maintaining a sense of responsibility towards society through respect & co-ordination. I strive to enhance each student self-worth, confidence & pride by providing curricular programme & activities that encourage participation in multinational experience to make most of the advantages offered by our small community. Our school campus is situated in the prime area of Pradhikaran, Nigdi and it is easily accessible to Railway Station and Bus Stop. The total built up area of the school is 45,000 sq.ft. With well ventilated & spacious class room with a seating capacity up to 40 students. We try to make our school a safe and secured place and a training ground for the future development & to prepare the students best citizens of the country.

MESSAGE FROM SECRETARY

MR. PRADEEP P KHANDARE
SECRETARY,
AKURDI CHINCHWAD EDUCATION SOCIETY

Where every child is loved, and cared and everything is done here with a good purpose, our sole aim is give the best learning environment to the children who are in our care. Together we will continue to built upon school culture & advocate for the diversity & cater to the unique needs, talents gifted to each student. The philosophy of the school is not only the academic but also the personality development of the students. The personality development takes place through activities. I expect all the students to participate in each and every activity organized by the Institution. We believe that children are the gift of god, very beautiful, radiant and whom we can shape them into fine human beings with the co-operation from the parents. I hope in moulding the student's life may the lord bless you.

MESSAGE FROM PRINCIPAL

MRS. SUHAS TOHGAONKAR
PRINCIPAL
NEW PUNE PUBLIC SCHOOL

"Success will never lower its standard to accommodate us, we have to raise our standard to achieve it."
A school that believes in making a difference in the life of every child. Fostering the spirit of the excellence in all spheres of life is the focus of the school. In this era of globalization and continuous quest for excellence and quality, we believe in the pursuit of creating a curriculum rich in content, diverse in approach, flexible in methods and democratic in value.
The priority to provide conditions for the forging of characters with leadership qualities. The endeavor is to shape such leaders of tomorrow, leaders who are capable, talented, confident but also human sensitive and imaginative. We aim to nurture a student community that can contribute to nation-building and social service.
The school will consistently make endeavor towards providing basic quality education to all and imbibing values which are unique to the Indian social values.

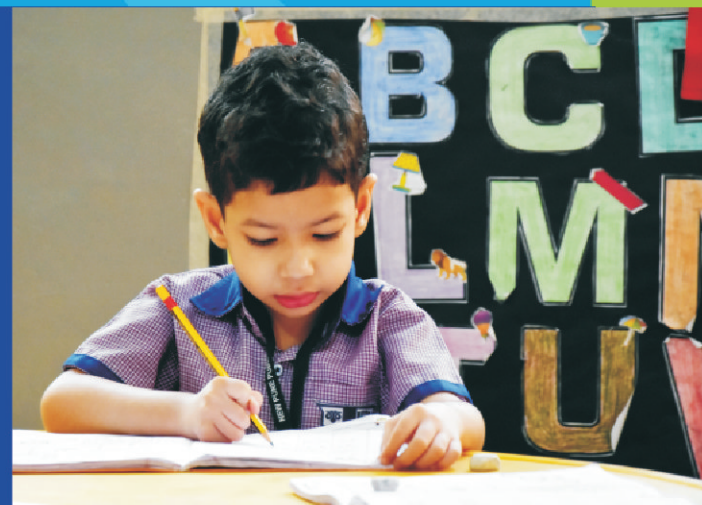

Our Mission & Vision

To be a premier professionally managed Institution that provides an environment which nurtures excellence, holistic growth and prepares students for knowledge society and global economy by developing lifelong learning skills.

New Pune Public School aims to provide an exciting all round education to create global citizens through traditional values of love, empathy, respect and discipline

1. To enable the students to achieve their dreams
2. To provide academic excellence to have wonderful career prospects
3. To widen the intellectual horizons of students through activities in the arts, science and the curricular activities
4. To foster independence of mind and spirit through guidance.

Welcome The School

New Pune Public School Education

Our school provides a uniquely global education that goes beyond grades to develop all-round academic excellence - building resilient minds and encouraging positive, multicultural perspectives. Underpinning this is 'The MIS Way' - the six focal points we know to be present in the most successful schools globally: Energised leadership, Personalised learning, People growth, Community, Innovation and Brilliant basics.

New Pune Public School remains to be an extraordinary institution, joining forces in an inspiring world of education with one common purpose: building self-belief and empowering individuals to succeed!! Manchester International School is a truly International school in Coimbatore with over 10 nationalities, delivering CBSE curriculum from Grade 1 to Grade 12 .

Paving the way in equipping young people with the confidence and resourcefulness that prepares them to grow, thrive and find their success in a fast-changing world.

The emphasis in New Pune Public School is on education and not only on syllabus. The school is affiliated to the Central Board of Secondary Education, New Delhi. The kindergarten section follows theme based curriculum, based on learning through experience, interaction and inquiry. Classrooms are vibrant and colorful centers of happy activity with e- Learning. Parents enjoy the class presentation, assemblies and performances which are throughout the year. Curriculum of the school is based on developing critical thinking in calculating the attitude and skill of successful lifelong learners with the development of communication and team skills.

Academics

Activities

We are providing excellent facilities for our students which include sports, e-learning class, ventilated computer lab, well equipped laboratory, experienced dance teachers, library and a school software that helps students, parents, staff and management to get a day to day followup of each and every activities on a click of a button.

The dance teacher aims to develop student's dancing abilities. Students acquire proficiency and understanding of the multiple dance disciplines. They execute a variety of dance styles and enrich the quality of their dancing through somatic practices. Also students are able to develop as choreographers and performers. We aimed to develop students musical abilities by producing music of the game of their preferences. Students also play instruments in which they demonstrate a particular skill. Students who are part of the music class develop important skills, qualities & abilities to make them successful musicians & performers

COMPUTER LAB

We provide & promote quality fiction to develop & sustain in students the habits & enjoyment of reading for pleasure said to enrich student's, intellectual, cultural, emotional growth. The school library is a integral teaching and learning process.

LIBRARY

Computer education in our school helps the children to get access to the extensive world of information. Students can find any information that they desire with the help of a computer. Computers in the lab have recent versions of the software it also help in teaching the students about the versatile nature of the computer. Providing computer lab is one great step taken by the school authorities toward teaching computer literacy within school.

Transport

To provide safe & reliable transport services to the students at the highest levels of safety, quality, customer service & positive employee relations. To be the first and foremost in providing safest and most comfortable school transportation without compromising on safety, professionalism, training, leadership and quality. We are committed to provide the best school transport service with highest safety measures & comfort to each student.
